

# Cairns' Top 3 'MUST DO' TOURS

## Cairns' Reef, Rainforest & Kuranda

Get ready for three amazing days, where you'll take in the best sights, experiences and tourism attractions Cairns and North Queensland has to offer. We start with the Great Barrier Reef. This full day tour provides you with up to 6 hours at the reef, visiting 2 reef sites, with plenty of time for snorkeling and a free scuba dive. As well as seeing the Great Barrier Reef firsthand, you'll learn more about it with a Marine Biology presentation. From saltwater to freshwater, the second day takes you deep into the heart of the Daintree Rainforest World Heritage Area. Swim in the cool waters of Mossman Gorge, take in the views of Cape Tribulation Beach, where the reef meets the rainforest, and watch for crocodiles on a 1-hour Daintree River Cruise. Day 3 is all about Skyrail Rainforest Cableway, Kuranda Scenic Railway and Kuranda, the Village in the Rainforest. There's plenty of time for shopping, sight seeing and just enjoying our unique tropical vibes. **The best of Cairns and Tropical North Queensland.**
